Grant D. Bruce

ABOUT

Grant has dedicated 35 years to providing exceptional market insight at Signature Associates and is honored to serve as a long-time principal at the firm. While he has successfully completed some of the largest transactions in the company's history, his passion lies in being on the ground—meeting in person with tenants and owners of east-side industrial properties. Corporate real estate decisions are complex, but with our extensive experience and resources, clients can trust that there's no challenge we haven't successfully navigated before. Some of Grant's recent assignments include, UWM (1.5 million SF across multiple HQ assets), Henry Ford Health (275,000 SF corporate office), EDMC (110,000 SF in Novi and Troy), Crowne Group/Trico (80,000 SF HQ), Marketing Associates (55,000 SF lease in Detroit), Landstar (35,000 SF lease in Southfield), Mortgage Concepts (35,000 SF purchase in Southfield), Great Expressions (30,000 SF corporate HQ), Hall Financial (25,000 SF in Troy), ABC Technologies (22,000 SF in Southfield), Bullseye (20,000 SF in Southfield), ASE (sale of 18,000 SF HQ and new lease), BWST Law Firm (15,000 SF in Birmingham), Alteris Group (15,000 SF HQ), Motors Liquidation Company (multiple assignments including HQ in Birmingham), and Nemak (southern states site evaluation). He also represents Syncreon globally, managing over 100 locations.
