Alex Tokarz

ABOUT

Alex is a graduate of Michigan State University with a Bachelor's degree in finance. He initially spent time working for a major automotive supplier focusing on cost optimization and helping to manage project costs and identifying budgeting errors.- During that time Alex developed a unique cost-saving solution that is patent pending. Alex also has a construction service background and most recently worked at K & K Excavating in Highland Township as a project manager. Alex's experience in construction, finance and project management will assist him in bringing creative and informed real estate solutions to our clients and brings DRA a fresh perspective to its advisory services. Alex will be working on several important client accounts together with, Senior Vice President and industry veteran Andrew Boncore, as they concentrate on the suburban Detroit's "east side" industrial / high tech office, vacant land and related investment sales.
