ABOUT

NOMA is a bespoke property management, brokerage and construction company founded in Ann Arbor. We manage over \$20MM worth of real estate in Ann Arbor, we've brokered over \$100MM of office, retail, multifamily, and vacant land deals across Michigan, and manage up to \$1MM in construction projects. NOMA is focused primarily on the sustainable redevelopment of the Lower North Main Corridor (LoNoMa) but we work across the state on complex urban, transit-oriented, placemaking projects.
